Bid Form: *36th CZSG Mail Sale, Sunday, December 6, 2009*
Closes 5:00 P.M. Eastern Time

Greetings! Enclosed please find the catalogue for the 36th Canal Zone Study Group Mail Sale. The Sales are a major source of funds to support the publications the CZSG produces and distributes to members and other interested libraries and societies worldwide. Your participation as a consignor or bidder is greatly appreciated. Lots on which no bids are received and that have to be returned to the owners are a major cost of the operation of the Sale. Please consider bidding, even if only modestly or on only a small number of lots. Approximately three days before the Sale closes, a list of lots on which no bids have been received will be posted on the CZSG website , and will be updated shortly after the Sale has closed. Bids on those lots will be accepted after the Sale has closed. As at any time during the Sale, bids totally unrealistic with respect to the value of the lot will be respectfully declined. Please consider participating in this process to reduce the number of "No Bid" lots.

The full catalogue with color illustrations will be posted on the same CZSG website:

http://www.canalzonestudygroup.com/

Gentlemen:

Please buy for me at the CZSG Mail Sale to be held on Sunday, December 6, 2009, the lots listed below. The amounts given are my top limits for each lot. It is understood that you will buy for me as much below these limits as possible. I agree to make payment within seven days after notification of my purchases or receipt of lots. I have carefully read and agree to the Terms of Sale.

Note that successful bids are NOT assessed any premium over the hammer price. Buyer's pay only what the lots purchased sold for, plus postage and fees for shipment. First class mailing costs are estimated; fees are as charged by USPS for additional services such as registered mail. Please indicate here if you have any preferred method(s) for shipping –unless otherwise specified, registered mail is used for value over $600 with full value declared.
