

TYPE III DATES OF USE

This census of dated uses of the eight Type III overprint issues. Included are Scott numbers 46 (two printings), 47, 48 (two printings), 67, J10 and J11. The eight issues each have a separate table and are in date-of-issue sequence: Scott/CZSG numbers 46.A, 48.A, J10, J11, 48B, 47, 46.B, and 67.

Most entries are based on full images, but this list also contains some items from auction catalogs or old correspondence of earlier collectors. Please report any additional dated uses to tom@canalzonestudygroup.com or tombrougham@yahoo.com

Last updated: March 28, 2019. 237 "covers" have been recorded (i.e., full envelopes, postcards, fronts or wrappers).
