

TYPE III DATES OF USE

The following is an inventory of the dates of use of the eight Type III overprint issues in issue date order. Included in this list are Scott numbers 46 (two printings), 47, 48 (two printings), 67, J10 and J11. Many examples are based on full images but this list also contains some items only listed in old correspondence of earlier collectors.

Please report any additional dates of use to tombrougham@yahoo.com

Last updated February 11, 2010. About 177 covers have been recorded.
